

# PIG® HazMat Chemical Absorbent Pillow in Dispenser Box

#PIL302 - For Acids, Bases, Unknowns • Pillow • Absorbs up to 30 oz. per pillow

When the situation calls for more than a mat, our high-capacity HazMat pillows deliver the absorbency you need for concentrated.

- Absorbs the widest range of acids, bases and unknown liquids, even those with high concentrations like 98% sulfuric acid and 30% sodium hydroxide
- Chemical-resistant pillow won't degrade or cause a dangerous reaction upon contact with corrosive spills
- Pillow has large surface area, high capacity and fast-wicking filler to quickly soak up liquids; great for adding absorbency during spill response
- Polypropylene skin resists chemicals and tearing; reduces dust and holds in liquid, even when saturated
- Polypropylene filler is highly absorbent for containing corrosive or reactive spills
- Pink color is easily distinguishable to assure workers use the correct pillow during a spill emergency
- Can be incinerated after use to reduce waste
- Dispenser box makes pillows easy to access, carry and store while protecting contents from dirt and moisture

Always in stock. Ships within 24 hours.
