# **Chemical Compatibility Guide**

## Guide Applicable to the Following:

PIG Overpack Salvage Drums, PIG Wheeled Overpack Salvage Drums, PIG Spill Kits in Overpack Salvage Drums, PIG Spill Kits in Wheeled Overpack Salvage Drums, PIG Spill Containment Pallets & Decks, PIG Rolltops & Covered Spill Containment Pallets, PIG Tank Spill Containment Units, PIG IBC & Tank Spill Containment Units, PIG Single Drum Containers, Tank Containment Trays, PIG Utility Spill Containment Trays, PIG Poly Funnels

## **Guide Information:**

This report is offered as a guide and was developed from information which, to the best of New Pig's knowledge, was reliable and accurate. Due to variables and conditions of application beyond New Pig's control, none of the data shown in this guide is to be construed as a guarantee, expressed or implied. New Pig assumes no responsibility, obligation, or liability in conjunction with the use or misuse of the information.

This listing was prepared to provide guidance to the chemical compatibility of New Pig Corporation containment pallets and decks, containers and other polyethylene products.

#### Ratings / Key or Ratings - Chemical Effect

L (Long-term storage): No visible degradation to material
 S (Short-term storage): Moderate degradation to material
 N (Not recommended): Significant degradation to material

Due to variables and conditions beyond our control, New Pig cannot guarantee that this product(s) will work to your satisfaction. To ensure effectiveness and your safety, we recommend that you conduct compatibility and absorption testing of your chemicals with this product prior to purchase. For additional questions or information, contact New Pig.
